EL PASO, TEXAS: A man is hospitalized with life threatening injuries after he is involved in a single vehicle crash in east El Paso. The crash occurred at the intersection of Pebble Hills and Saul Kleinfeld on Friday, March 27, 2015. At around 6:03pm, Officers from the Pebble Hills Regional Command responded to the crash and learned that the driver, and sole occupant of the vehicle, was pinned inside of the vehicle. El Paso Fire was on scene tending to the driver and advised that the injuries were life threatening. As a result, the Special Traffic Investigations Unit responded to the scene and took over the investigation. Investigators have learned that a 1991 Honda Accord, driven by 29 year old Michael Gonzales, was westbound on Pebble Hills approaching the Saul Kleinfeld intersection. For an unknown reason, the vehicle struck a curb and then travelled across the median and collided with a traffic signal at the intersection. Gonzales was transported to Del Sol Medical Center for treatment of his injuries. He was last reported to be in critical condition.
